

Things to know.

U.S. TAX SENIOR, MANAGER & SENIOR MANAGER

Bermuda boasts one of the largest populations of expatriate workers per capita in the world. A thriving international business sector, significant pay/benefits packages, idyllic natural beauty and safe living conditions all contribute to Bermuda's popularity as an attractive business destination.

Our client's U.S. tax practice provides compliance and advisory services to corporations and partnerships operating in the global FS sector, including insurance companies, hedge/private equity funds, and entities operating in the insurance-linked securities (ILS) sector. The work is highly complex and offers a fantastic opportunity to grow your career.

MORE ABOUT BERMUDA

Less than a two-hour flight from New York, Bermuda fosters a collaborative business culture that sees government and industry working together for the jurisdiction's commercial success with the active engagement of independent regulators. That history has created a highly respected and successful financial centre recognised for worldwide standards of compliance, regulation, transparency and infrastructure.

Combined with its stability and convenient location, Bermuda's continued relevance in an era of change can be attributed to the same fundamental principles that have underpinned its development as a blue-chip jurisdiction for the last 70 years.

Bermuda also offers a number of key lifestyle benefits including an amazing climate, quick commutes and a great expat community of like-minded professionals.

JOB OPPORTUNITIES

U.S. TAX SENIOR, MANAGER & SENIOR MANAGER

Our client is seeking a U.S. Tax Senior, Manager and Senior Manager to join a team of Bermuda-based professionals providing tax compliance and advisory services to the global financial services sector.

Responsibilities:

- Provide U.S. tax compliance and advisory services to corporations and/or partnerships operating in the global financial services sector including insurance companies, hedge/private equity funds, and/or entities operating in the insurance-linked securities (ILS) sector.
- Oversee the preparation and/or review of tax provisions in accordance with ASC 740 for a diverse range of entities, from standalone captive insurance companies to large multinational SEC registrants.
- Assist Bermuda-based entities in understanding and addressing an ever-evolving range of international tax provisions (e.g. CFC, PFIC, BEAT) as refined by the TCJA and subject to potential further revisions in 2021 and beyond (e.g. SHIELD, revisions to GILTI provisions, BEPS 2.0).
- Coordinate a diverse portfolio of tax clients and be responsible for delivering high-quality service and advice
- Manage a skilled, multi-disciplinary team of tax professionals responsible for engagement delivery and take an active role in the continuous development of their staff.
- Participate in and contribute to market and business activities external to the firm.

Experience in the taxation of insurance companies, hedge and private equity funds, and/or international tax would be an asset but not essential. This is an experienced team with a great track record of developing the next generation of subject matter experts!
